### Connie Wolf Cancer Awareness Exhibition Game

Teams: Pure Country VS. Stonehome Brewing

6:00 pm Clem Kelley Diamond #8

Connie Wolf was a loyal volunteer, player and fan of the tournament, so when she passed from cancer in August, 2015, the board decided to honor her memory and permanently re-name this annual game. In addition, there will be a cancer fundraiser on Friday and Saturday nights called **Ball Toss**, where fans will have an opportunity to purchase a numbered ball for \$5 that they will throw at a target in the middle of field. The closest ball wins a portion of the funds!
